### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or teach a line generating device with a support assembly having a light source, a level vial coplanar or perpendicular to a plane, and a magnet attached thereto, with the support assembly mounted in a housing, and a lens to receive the light and project the light in the shape of a fan within the plane along with the remaining limitations of claims 1-16. The prior art does not disclose or teach a mount assembly having a body having a first hole, at least two L-shaped legs bound together, extending through the first hole, and being rotationally fixed by features on the body, and a cam ring disposed on the body with at least two inclined slots for receiving the L-shaped legs, and a force member for putting force of the two legs along with the remaining limitations of claims 17-20.

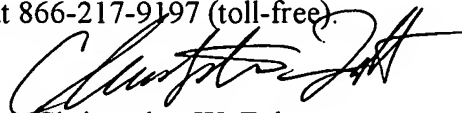

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher W. Fulton whose telephone number is (571) 272-2242. The examiner can normally be reached on M-Th 5:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Diego F.F. Gutierrez can be reached on (571) 272-2245. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
